

Dear TWS Families and Friends,

A special way for parents, grandparents, and family friends to support The Williams School Library and encourage reading for your child(ren) is to participate in the Birthday Book Club. With your contribution, books are carefully selected and presented to your child in their birthday month during selected Assembly times. They have the honor of being the first to read the book and then the book becomes a part of our library collection when they are returned. A special bookplate is placed in each book honoring the student and donor. Summer birthdays are honored mid-year.

The Birthday Book Club is a wonderful tradition at The Williams School, and the library is truly enriched with quality books because of your generosity. To participate, please return the bottom form to the school with your check made payable to The Williams School for \$35 per student.

Online registration is also available on the school's website under Support/Library Birthday Book Club.

Happy Reading!  
Beth Miller, Librarian
